

**Choose and print out just one of the speech bubbles. Write a few sentences to explain which character you have dressed up as today and explain WHY you love that book / character!**

When you have finished, cut it out and then bring it into school with you so we can put it up on our reading display. Remember to ask parents to send us a picture of you in your world book day outfit too!

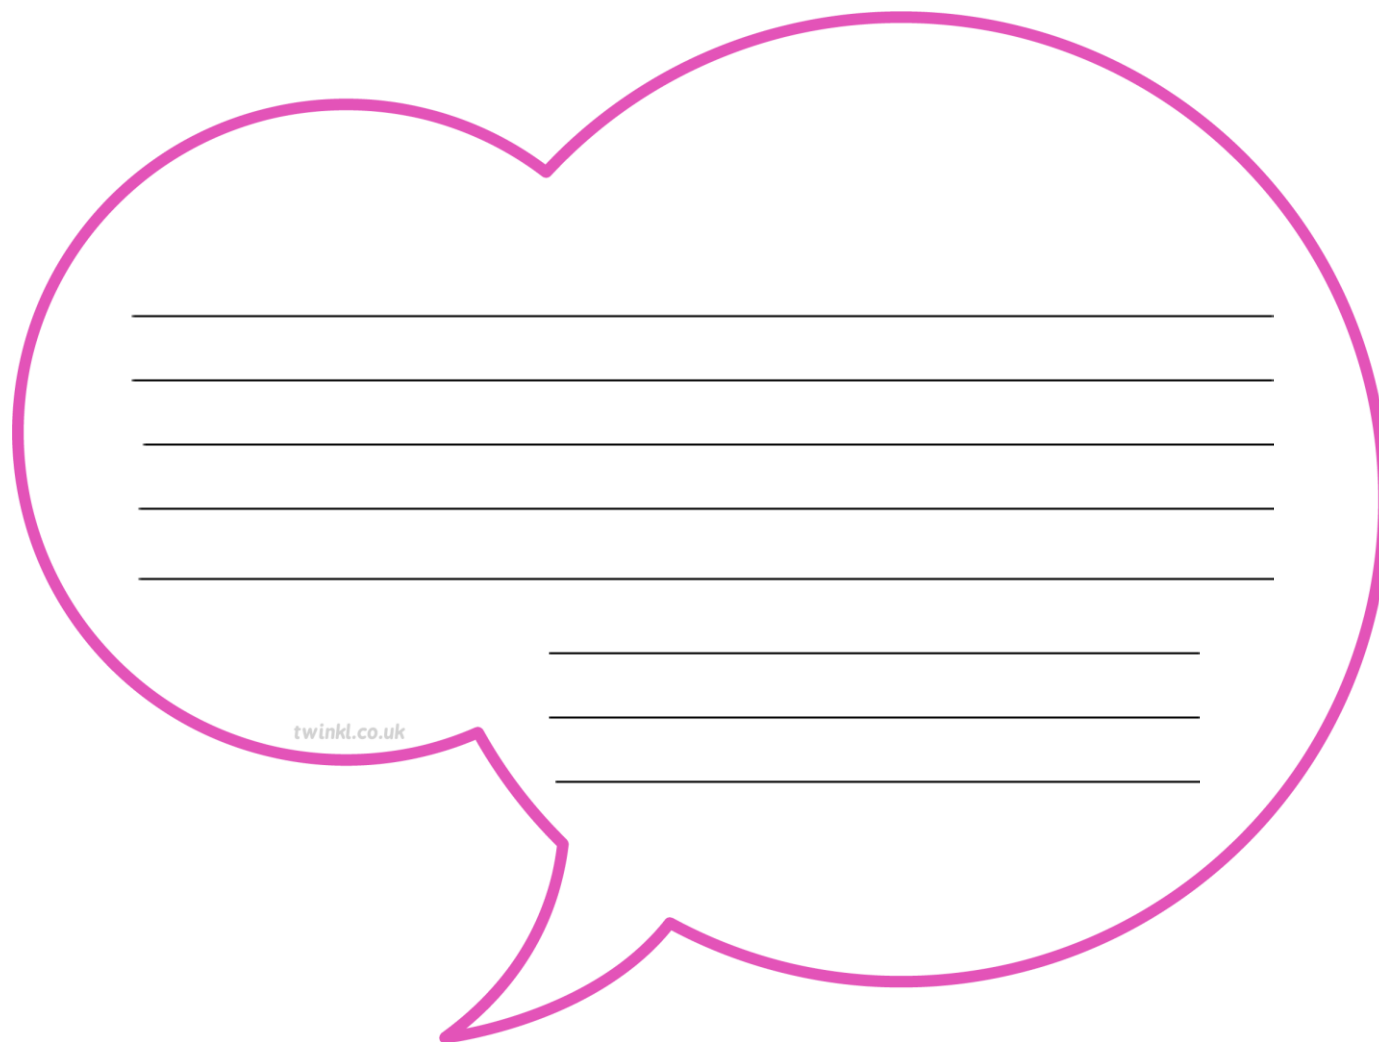

A large purple speech bubble outline is centered on the page. Inside the bubble, there are ten horizontal black lines for writing. The bubble has a tail pointing towards the bottom left.
