

World Book Day: The Three little Narwhals

WALT: Identify and compare the suitability of materials for a particular use. Thursday 4th March 2021

Context: Make a model of a house for the narwhals.

Success Criteria:

I can research the properties of different materials.

I can select a material for a particular use and explain why I have chosen it.

I can design a product using suitable materials.

I can test my product to see if it is suitable.

Deepening - I can evaluate my findings.

Design One 	Design Two 	Design Three 
Materials	Materials	Materials

<p>Final design</p>
