# You can have fun with Fred Talk.

---

*“What a tidy r-oo-m!”*

*“Where’s your c-oa-t?”*

*“Time for b-e-d!”*

# Move on to Fred in your head

---

*As your child becomes more confident, they can start to Fred in their head to improve fluency and hence comprehension.*

# Phonics Screening Test

---

In June all Year One children will be expected to undertake a phonics check.

The aim is to check that a child is making progress and working at the age related expectation in phonics.

# How to help your child at home...

---

# You can read stories with your child. Relentlessly.

---

Read favourite stories **over and over** again, encouraging them to use Fred talk/Fred in your head/flash card fast.

We have put a past test on the website for you to download to try at home.

Read some stories at a **higher level than they can read themselves.**

*Have a look at our games to try at home and useful website links.*

---

Thank you for coming to our Phonic meeting – it is important to note the children are very used to doing their phonic sounds checks and should not be feeling worried or stressed about the Phonic Screening.
