

Buzzin'

- 1 Buzz, buzz, buzz, buzz, buzz, buzz, buzz, buzz, bzzzzzzzz!
We're busy, busy, busy,
We're working till we're dizzy,
But we don't mind, we've work to do,
We just like keeping busy.
Make wax, make wax, now make those honeycombs.
Make wax, make wax, now make those honeycombs.

- 2 Buzz, buzz, buzz, buzz, buzz, buzz, buzz, buzz, bzzzzzzzz!
We're buzzin', buzzin', buzzin',
We're rushing, rushing, rushing,
To store the pollen, clean the hive,
We can't sit doing nothing.
Air circulation, bzzzzzzzz!
Air circulation, bzzzzzzzz!

- 3 Buzz, buzz, buzz, buzz, buzz, buzz, buzz, buzz, bzzzzzzzz!
We're working, working, working,
You'll never see us shirking,
We'll make the honey all day long
Until the hive is bursting.
