

The Bee's Knees

- 1 Buzz, buzz, buzz, buzz, we are the bees
With many occupations,
And the greatest one of all
Has got to be pollination.
Dropping pollen as we go,
We are experts don't you know?
We are sure you will agree,
Buzz, buzz, buzz, buzz, we're the bee's knees!

- 2 Buzz, buzz, buzz, the work of the bee
Takes lots of concentration,
We have many jobs to do
And this one is pollination.
Busy, busy every day,
Spreading pollen all the way,
Then the flowers can make their seeds,
Buzz, buzz, buzz, buzz, we're the bee's knees!

- 3 Buzz, buzz, buzz, we're busy as bees
With our investigations,
Finding pollen where we can
So there can be pollination.
Every day we go to work,
We are bees, we never shirk,
We're important as can be,
Buzz, buzz, buzz, buzz, we're the bee's knees!
