

Bee Mine

Drone Bees

- 1 Honey, honey, honey, be mine,
Honey, honey, honey, be mine.
You can see I'm a very fine bee
And I think about you all the time.
Honey, honey, I will be true,
I want to be with you,
Don't think twice, just be my wife,
'Cause I'm so in love with you!

- 2 Honey, honey, would you agree
I am such a marvellous bee?
I'm your type, just look at my stripes,
So I'd like you to consider me.
Honey, honey, surely you see,
I am your super bee,
I'm the best, forget the rest,
Hurry up and just pick me!

- 3 Honey, honey, can I just say?
You are looking lovely today.
It's no surprise you're the Queen of the hive,
You're magnificent in every way.
Honey, honey, honey, it's fine
To put me on cloud nine,
You'd love a bee that's just like me,
So Your Majesty, be mine,
So Your Majesty, be mine!
