

To Be A Bee!

Grumble Bee

CHORUS *It seems to me, to be a bee
Is quite an honour actually,
It seems to me, to be a bee
Is quite a responsibility.*

- 1 Take a look upon your plate
At all the food we pollinate,
Strawberries and blueberries,
Courtesy of the wonderful bees.

All bees

CHORUS

- 2 Take a look at the flowers in bloom
To decorate your living room,
A paradise for you and me,
Courtesy of the wonderful bees.

CHORUS

- 3 Take a look inside your cup,
Orange juice to fill it up,
A healthy and a tasty treat,
Courtesy of the wonderful bees.
