### The Painted Cup (Pot Painting, Decopatch & Acrylics) After School Club

We are very pleased to offer children an opportunity to participate in a new club on a Wednesday **The Painted Cup**. The club is inclusive, relaxing and the children are encouraged to express their creative skills in a fun way. Activities will involve using:

- Bisque Pottery & Underglazes (pieces will then be glazed and fired in a kiln)
- Acrylics
- Decoupage
- Foam Clay
- Occasionally - Silk Clay & Mosaics
