

Dobcroft Infant School
Photo Competition

Winter is....

Each year group will have a different focus on the criteria for their '**Winter is....**' photo.

EYFS - Winter photos with a focus on exploring and observing the world around them.

Year 1 - Winter photos with a focus on seasonal change. For example changes in trees, flowers, sunlight - this links with the Year 1 science curriculum and aims for the children to observe first hand seasonal changes).

Year 2 - Winter photos with a focus on habitats. For example show how an animal adapts their habitats during the winter season or how they are suitable to provide the basic needs for the animal (part of the Year 2 curriculum)

Please ensure no faces are on the photographs, photos are taken in the local area and there must only be one entry per child.

Email your entry stating your name and class to:

tinkerc@dobcroft-inf.sheffield.sch.uk for children at the Infant School

One entry per pupil by no later than midnight on:

Thursday 25th January 2024

There will be prizes for each year group. We can't wait to see your photos!
