This week you could...

- On the 20th March, Spring began! Can you find signs that tell us Spring is here? Maybe there is blossom on your way to school, or even daffodils. You could take a picture or draw one!

- We're hopping our way towards Easter, can you tell your adult why Easter is important to the Christian faith while colouring in your own Easter egg picture?

- On the 22nd March it is World Water Day. Find out how you can help save water and make a poster to tell us all about it!
