

Engage

First, we need to warm up our hands!

What steps do we need to do before we start handwriting?

Practise
and
consider

How should we hold our pencil?

Let's all hold our pencils in the air and practise some letters in the air!

REMEMBER!

Independent
task

l i t j y u

l i t j y u

individual letters x5

Going deeper

Let's read - Earth words

MTYT

Now we're going to try writing words.

Going deeper

Try and print each letter correctly and use the handwriting lines, like we just practised!

Reflection

Look back at your handwriting, which do you think is **you** neatest of each letter?

Circle it so we can see how successful you have be
