This week you could...

- Can you show your number bonds to 10 using items you can find in your home or garden? E.g. find 5 green leaves and 5 orange leaves. Take a picture and stick it in your book.
- This week we learnt about a British artist called Lubaina Himid. Can you find another British artist and try and do some art in their style?
- This week we looked at African Art and noticed the interesting, repeating patterns that can often be seen. Log on to your Purple Mash account (found on your log in card) and complete the 2-Do set for you about creating your own African Art pattern.  My African Pattern
- Write a book review about your favourite book. Give it a rating, write who you think would enjoy it and why you like it so much.

Design your own homework

- Fancy becoming a teacher? Set yourself a homework task. You could link this to your curriculum theme. What will you do?
