This week you could....

- Do you want to be a science ambassador? Miss Tinker is looking for enthusiastic, creative Year 2s to join her team! Apply in any way you like (e.g. make a poster, make a video, take a photo of you performing a science experiment) and send in your applications to tinkerc@dobcroft-inf.sheffield.sch.uk. Deadline next Wed 20th Oct.
 - This week we went to Canada in North America. Can you find some interesting facts about a different country in North America (why not take a look at the USA—there'll be loads of things for you to research!)
 - Listen to some music from a different culture. How does it make you feel? What does it make you think of? Can you choreograph your own dance to it?
- Design your own homework**
- Fancy becoming a teacher? Set yourself a homework task. You could link this to your curriculum theme. What will you do?
