Name:

Class:

A Playground Leader will do different jobs such as helping in the dinner hall, teaching games to children in the playground and making sure our lunchtimes are as happy and safe as they can be!

Why would you make a good Playground Leader?

What do you know about the 'Ready, Steady, Go' problem solving or Calming Down Tricks?

I understand that if I am chosen to be a Playground Leader, I will need to be on duty with the Welfare Supervisors for **one lunchtime every week**.
