

Roll, Add and Multiply!

Work in pairs.

Player 1 - roll 2 dice and add the numbers together. Then multiply that number by **5**. Colour in your answer on the grid below.

Player 2 – then it is your turn. Colour in your answer in **a different colour**.

The person with most squares coloured WINS!

20	10	30	15	50	25
15	50	45	20	35	60
40	25	60	55	30	40
60	35	15	10	45	50
30	55	40	25	55	35
10	45	35	30	20	15
