

RMS Titanic
British Luxury Passenger Liner
1st Class

Wednesday 12th April 1912.

Dear My Beloved Mother,

I am writing to tell you that we have set sail on the grand Titanic two days ago. The Titanic is the most amazing ship I have ever seen. The captain is called Mr Edward Smith. He has asked for the engines to go even faster to get us to New York even quicker. RMS Titanic has beautiful chandeliers and the most delicious food that I could eat all day long. When I took a stroll around the ship this morning I could smell the fresh sea air and I could hear the waves crashing loudly against the side of the ship. Do you know how many lifeboats they are on the ship?

How are you? What have you been doing whilst I have been away?

I hope to see you soon.

Kind Regards

Lady Squirrel
