

Let's warm up our hands ready for writing!

Click to watch the video

**Key Learning:** to form lower case letters correctly

**Success Criteria:**

I can sit on my chair with my feet on the floor

I can hold my pencil with a correct pencil grip

I can smile into my letters starting on the lower grey line

I can form each letter the correct way round

I can form ascenders and descenders of the correct sizing

**Can you remember the steps to make  
you a good handwriter?**

Introduce

(5 mins)

**Both feet flat on the floor**

**Chair tucked under**

**Sat up straight**

**Spare hand supporting your book**

Let's focus on letters that use anti-clockwise movement.

Practise  
and  
consider

**Use your magic finger in the air to practice writing these anti-clockwise letters.**
