

WALT: To design and make a strong and sturdy house.

Royal proclamation!

I need your help! 13,200 houses in the city of London have been destroyed by the Great Fire of London. Can you design and build strong and stable houses for my people to live in? I still want them to look like the houses that already existed so the people of London feel at home.

What is the task?

IDENTIFY

What do you know about houses in London before the Great Fire?

Label the characteristics on these houses.

GATHER/ORGANISE
What do I know about this

Yellow rectangular boxes for labeling characteristics.

The King has asked us to make houses that are strong and stable. How can we do this?

What could our Tudor houses look like?

Design your Tudor house.

Think about the features your house needs to have.

Design a strong and sturdy house

What could our Tudor houses look like?

What resources do we need?

How will we make the different parts of the house?

Let's get making!

Think carefully about the resources you need, and how you will make each part of your house.

Evaluation

*When we evaluate we reflect on the work we have done.
We think about what went well, and what we could
have done better.*
