- We have been working with an artist this week to create a piece of art work using natural materials. You could create your own version of this with natural things you can find in your garden. 
- Make a poster to tell people about coming to see our play—can you make it on a computer and change the font or insert an image? The dates of the performances are on the website.
- **We are designing Chocolate worlds next week. Please bring sweets in on Wednesday 22nd so you can make it.**

Spelling Zone

Soon, we will be writing about the chocolate worlds they make next week. Practise spelling these words.
