Independent task: create your own fact family house.

Choose a number bond to 10. You can use the engage or picture to the side to help you if you cannot remember them.

Fill in the part part whole model below to ensure you know which numbers are the parts and which is the whole. Remember the whole is the biggest number.

Use this to help you create your own fact family house. Tweet and email us pictures we would love to see them.

Rainbow to 10

0 1 2 3 4 5 10 5 6 7 8 9 10

$0 + 10 = 10$	$10 + 0 = 10$
$1 + 9 = 10$	$9 + 1 = 10$
$2 + 8 = 10$	$8 + 2 = 10$
$3 + 7 = 10$	$7 + 3 = 10$
$4 + 6 = 10$	$6 + 4 = 10$
$5 + 5 = 10$	$5 + 5 = 10$

Choose a number bond to 20 or another addition and subtraction fact family you can think of within 20 (e.g. $13 + 4 = 17$) and use this to complete two additional fact family houses.
