

Key learning; recognise value of coins. Making different amounts

Link for engage game - <https://natwest.mymoneysense.com/students/students-5-8/coin-cruncher/>

Independent task – write or stick the coins you would use to buy the items. Which coins would you use to make the amount?

The tooth fairy left some money for two children.

Jack has 50 pence. Mo has one pound.

Jack thinks he has more money because his coin is physically bigger.

Explain why Jack is wrong.

Dora says:

All coins are round.

Deepening

Do you agree with Dora?

Justify your answer.

Which is the odd one out?
