## About me and my family:

I have an older sister called Lauren who is also my best friend! We go on lots of holidays together. We travelled around lots of cities in Europe on trains together and have been to New York and Australia together. I also have a cat called Duke. He is a bit of a rascal but he loves being stroked and eating cat treats!

## At school I like:

I love reading stories and teaching maths, history and geography. I also like dress up days like World Book Day, and I love working with the other teachers who are my friends.

## Over the summer holiday:

This past year my boyfriend and I made our van into a campervan, so I hope we can go on lots of trips around the UK. I will be visiting my family that live in Manchester as I miss them a lot. We might also go away on day trips on my boyfriend's motorbike to the seaside as I love the sunshine and eating ice cream!

## Next year I am looking forward to:

I am looking forward to being able to go on holiday to different countries around the world, teaching my new Eagle class and having lot of fun with you all!

## A special message for my new children:

I hope you all have an amazing summer and I can't wait to see you in September.
