This week you could...

Can you spot any wildlife?

What is the microhabitat is like?

- Write a superhero adventure story about your new character you made in class this week.
- This week in Geography we learnt about Asia, focussing on China. You could research another country in Asia and compare it to China—is the weather, money, food the same?

- If you would like to be a Science Ambassador, make a poster, speech, video or PowerPoint. Either email or hand them in to your class teacher by **Friday 2nd October.**

### Design your own homework

- Fancy becoming a teacher? Set yourself a homework task. You could link this to your curriculum theme. What will you do?

## Spelling Zone

We are sending home the Year 1 spelling Zone first on the Homework as a recap. Please work with your child to ensure they are secure at spelling these independently as individual words and in sentences.
