This week you could...

- **Research your new class animal. (kingfisher, eagle, woodpecker)**

What is their young called?

Where do they live (habitat)?

What do they eat?

Create a fact file on them. Your teacher would love to see what you can find out.

- **Practise your number formation from 1-20. Make sure all numbers are formed correctly.**

- **Practise the 7 Continents song— can you remember all the names of the continents?**

Spelling Zone

We have sent home the first of the Year 2 spelling zone zapper. Please practise spelling these. On each occasion you spell a word correctly, write a 'z' on the corner of the word. Once you have 4 'z' on every corner then bring the sheet to your class teacher to be tested by an adult.

If you correctly spell all the words (in any order) they will receive a certificate and they will fly to the next zapper planet.

Mercury Spelling Zapper

Practise reading, writing and spelling about the planet Mercury!

When your children can read, write and spell the words below put a 'Z' in the corner of the word.

When they have a 'z' on each word bring it back to school or your teacher can test your child and they can get the next spelling zapper!
