

## Must Box

- **Read your book with an adult and make sure you have your record signed.**

- **Practise your maths facts:**

Can you sort numbers into odd and even?

Investigate what happens if you add 2 odd numbers together, or subtract an odd number from another odd number. What do you notice about all the answers?

**Practise the spellings below and your Spelling Zapper.** We have also put the whole Year 2 Spelling Zone on the website.

## Year 2

### Homework Menu

## Homework due in by: 11.11.2020

### Choose box

This week you could...

Create a piece of Remembrance Day artwork, or research Remembrance Day and why some people wear poppies in November.

Log into your Purple Mash account (login details are in your Reading Diary) and show a grown-up your Purple Mash avatar from your Computing lesson this week.

This half-term our topic is Changes Through Time, and we will be learning about the Victorians and comparing life then to life now. Can you find out why it was called the Victorian era?

Keep practising your number formation so you are not reversing any numbers—this can be done practically by drawing in sugar or flour, drawn with chalk, make with leaves, however imaginative you can be!

### Design your own homework

- Fancy becoming a teacher? Set yourself a homework task. You could link this to your curriculum theme. What will you do?

## Spelling Rules

We have finished the planets spelling zone now, so we will give the children spellings each week based on the year 2 spelling rules.

### This week's spelling rule:

/or/sound spelt 'a before l or a before ll'

all

ball

call

walk

talk

always

small

wall

fall

altogether

	Shooting Stars
	Daisy
	Victorian
	patriotic
