

## Must Box

- Read your book with an adult and make sure you have your record signed.

- Practise your maths facts:

Diving by 2, 5 and 10. Can you practise the sharing and the grouping method?

How many altogether? How many groups do we have? How many in each group?

$$12 \div 2 = 6$$

1. We draw the number of circles we need:  
2. We split the whole between these circles by drawing little dots

3. We count the number of dots in each circle - 6

How many altogether? How many in each group? How many groups do we have?

$$12 \div 3 = 4$$

1. Draw the whole:  
2. Divide the whole by grouping the dots equally:  
3. Count how many groups there are: 4

## Year 2

## Homework Menu

## Homework due in by: 2.12.2020

### Choose box

This week you could...

- Practise reading real and alien words applying your phonic sounds—you can make up your own words or use the sheet on this Homework section of the website,
- This week in Science we learnt about things that are living dead or have never been alive. Can you find one thing from each category in your house or garden?
- Practise the 3 carols we are singing for our Carol Concert—Silent Night, It Was on a Starry Night and Calypso Carol

## Spelling Rules

We have finished the planets spelling zone now, so we will give the children spellings each week based on the year 2 spelling rules.

### This week's spelling rule:

“n” sound spelt with a silent k or g before the n

knight  
knife  
knock  
know  
Knee  
knuckle  
gnat  
gnome  
gnaw

Shooting Stars

occurred

believed

burning

### Design your own homework

- Fancy becoming a teacher? Set yourself a homework task. You could link this to your curriculum theme. What will you do?
