

**Context:** Under the sea

**Success criteria:**

I can identify some different habitats.

I can classify the animals that live in these habitats.

I can explain how an animal is suited to its habitat.

**Deepen** – I can create my own underwater animal suited to a particular underwater habitat.

Design your own sea creature and label it to say where it would live and why.

Deepen

A series of horizontal lines for writing, alternating between red and blue lines. The sequence starts with a red line, followed by two blue lines, and continues in this pattern down to the bottom of the page.
