

Must Box

- Read your book with an adult and make sure you have your reading record signed.

- Practise your maths facts:

Can you sort numbers into odd and even?

Investigate what happens if you add 2 odd numbers together, or subtract an odd number from another odd number. What do you notice about all the answers?

Practise the spellings below and your Spelling Zapper.

Year 2

Homework Menu

Homework due in by: 8.11.22

Choose box

This week you could...

Create a piece of Remembrance Day artwork, or research Remembrance Day and why some people wear poppies in November.

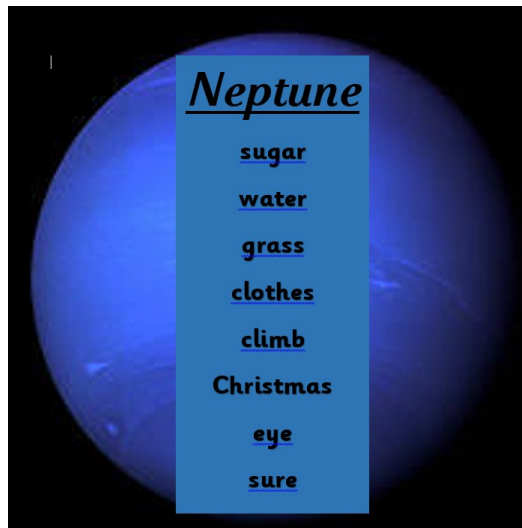

This half-term our topic is Changes Through Time, and we will be looking at timeline. Can you make a timeline of your family — e.g—parents' date of birth, when you started school, any other major events.

Keep practising your number formation so you are not reversing any numbers—this can be done practically by drawing in sugar or flour, drawn with chalk, make with leaves, however imaginative you can be!

Design your own homework

- Fancy becoming a teacher? Set yourself a homework task. You could link this to your curriculum theme. What will you do?
