

Three in a row...

How to play:

- Each player has 3 targets that they place on the floor.
- Each player takes 3 steps back from their targets when throwing.
- Players take turns to throw an object towards their targets.
- If a player hits a target it is removed. If a player misses they place a target which has been removed back in.
- The first player to hit all their targets is the winner.

For children at home: if you don't have cones or beanbags you can use other objects around the house. Eg. You could use shoes for the markers & paired socks instead of beanbags.

Top Tip!

Throwing Underarm

Step forwards with one foot, release the ball from low to high using your opposite hand.
