

Parent Guide

How can I use this with my children?

Cut out the shapes in the tangram puzzle and rearrange them to make the animals of the Chinese zodiac.

How does this help my children's learning?

This puzzle can help children learn about the spatial relationship between geometric shapes to form new shapes.

Ideas for further learning:

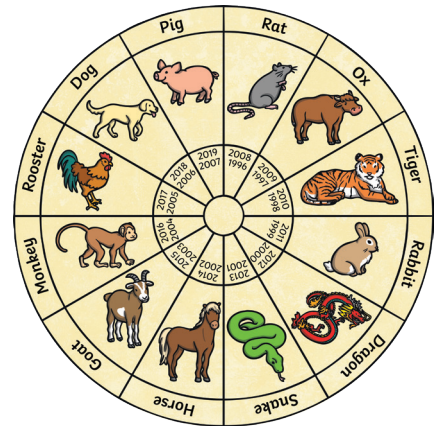

Why not try to make other animals or shapes such as boats, houses and cars?

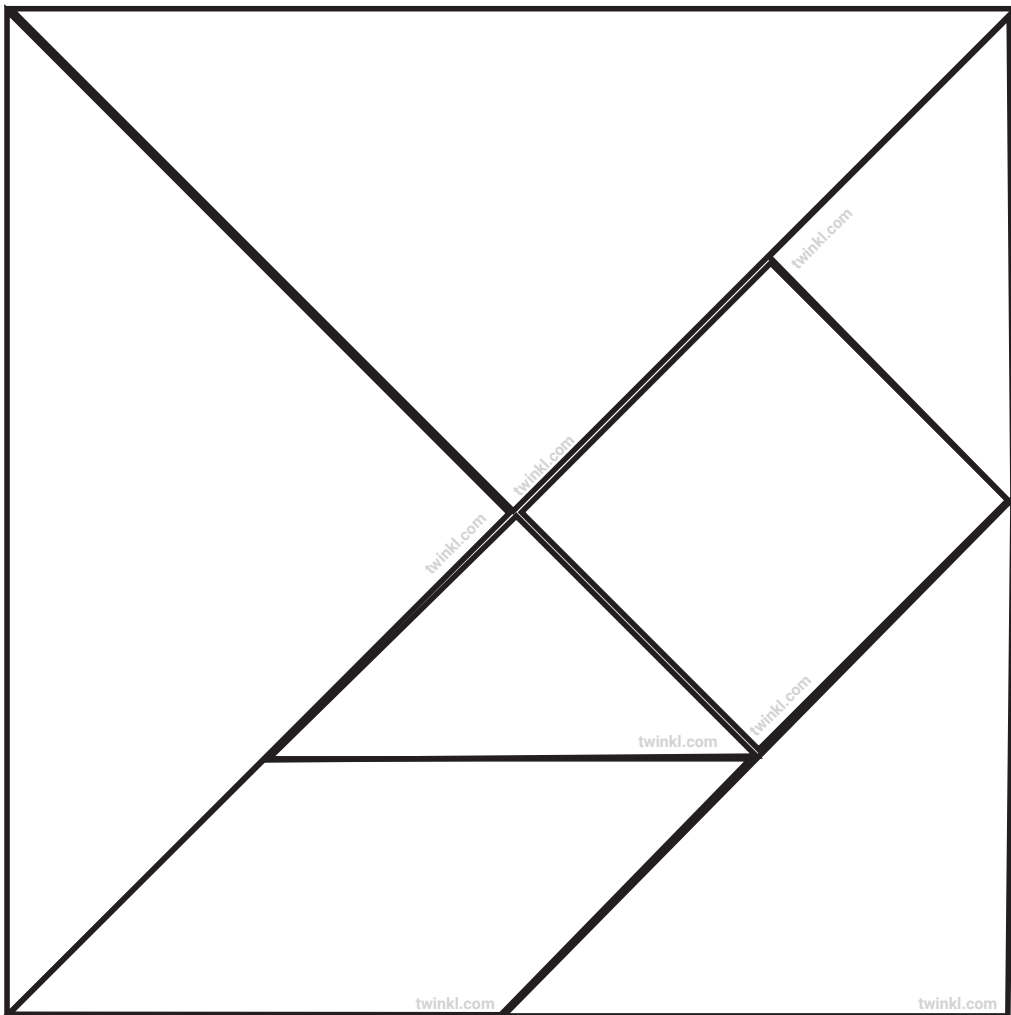

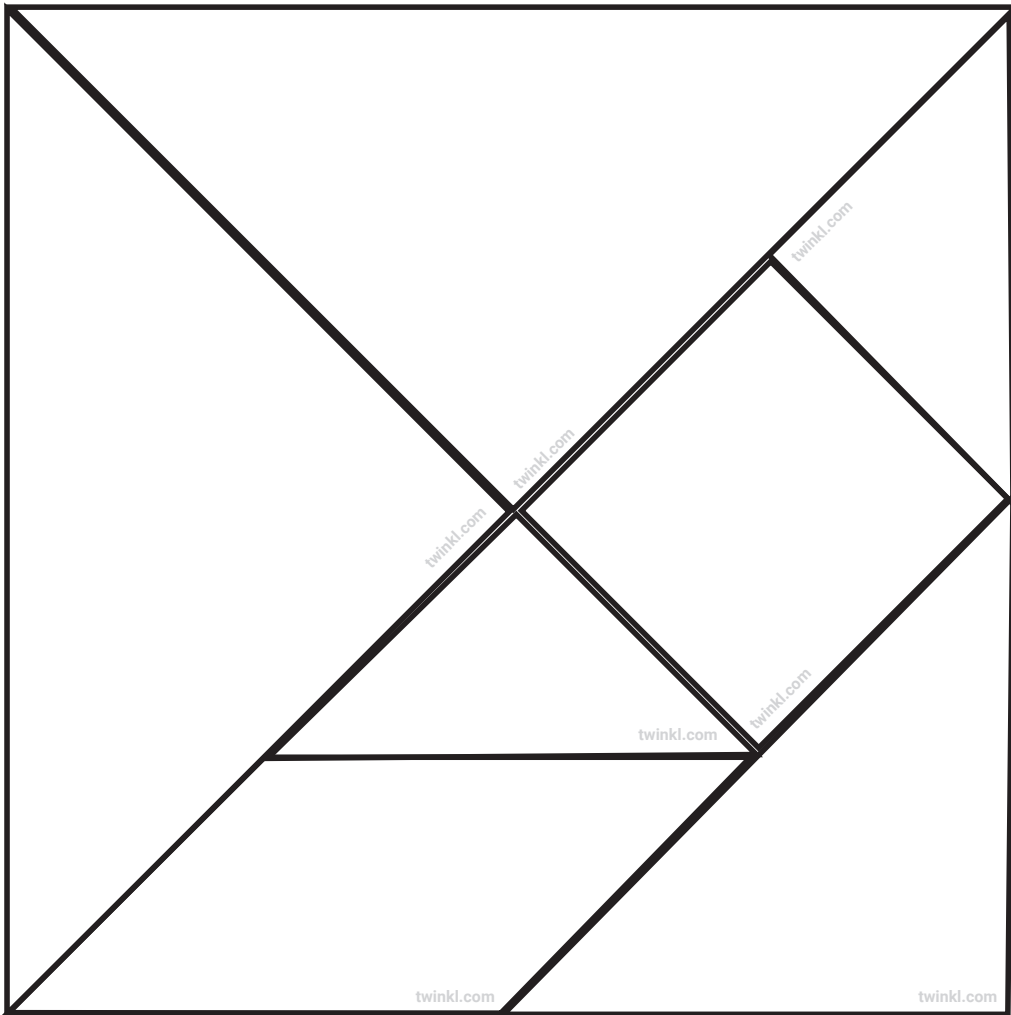

Chinese New Year Tangram Puzzle

Instructions:

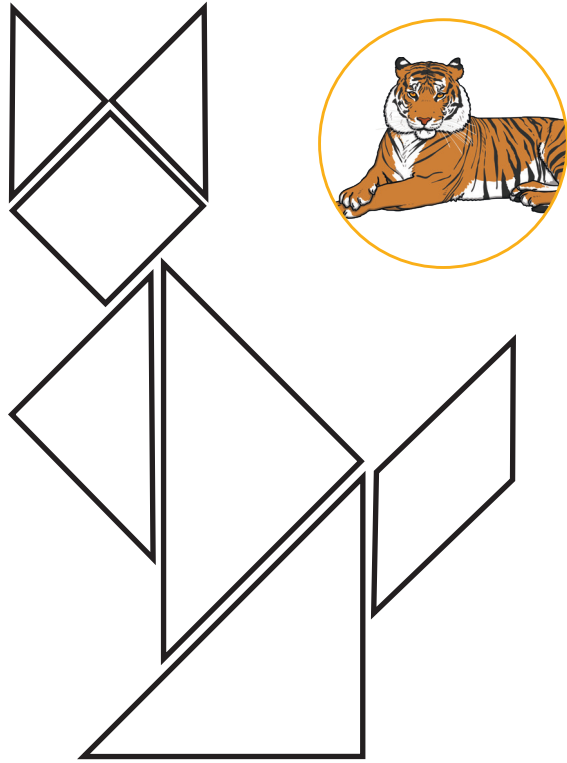

- Print out the tangram.
- Add different colours to each shape.
- Cut out the shapes which make the square.
- You may wish to laminate the shapes or cut them out of card to reuse them.
- Rearrange the shapes to create a variety of zodiac animals.

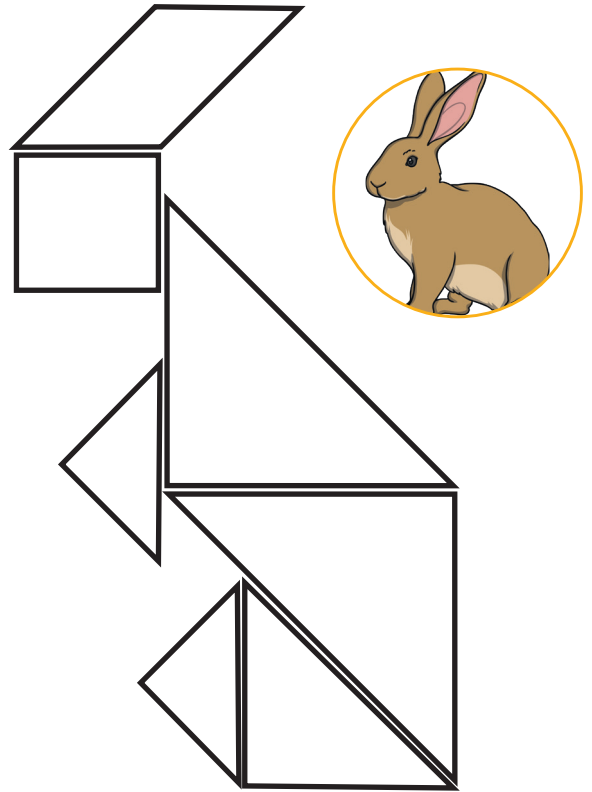

We hope the information on our website and resource is useful. However, some ingredients and/or materials used might cause allergic reactions, so if you have any concerns about your own or somebody else's health or wellbeing, always speak to a qualified health professional. Remember, activities listed within the resource should always be supervised by an appropriate adult.
